

## CALL FOR PAPERS

### Special Session on “Recent Trends on Big Data Analysis of Expert System Based Models Using IoT & Machine Learning”

#### Session Chair(s):

Dr. Anand Kumar Pandey,  
Associate Prof., Dept. of Computer Science and Applications  
ITM University, Gwalior, M.P. India  
E-mail: [anandpandey.ind@gmail.com](mailto:anandpandey.ind@gmail.com) Mobile: + 91-9977245495

#### Session Co-Chair(s):

Ms. Rashmi Pandey,  
Assistant prof., Dept. of Computer Science  
ITM Group of Institutions, Gwalior, M.P. India  
[reshu1807@gmail.com](mailto:reshu1807@gmail.com), +91-9926230633

#### Session Co-Chair(s):

Dr. Pooja Jain,  
Assistant prof., School of Management  
ITM University, Gwalior, M.P. India  
[Pjain1203@gmail.com](mailto:Pjain1203@gmail.com) +91-8770165985

#### Theme of Session:

The main aim of this special session is to the data analysis of expert system based models provide a visual way to manage new data resources, its operation and maximum usability using big data analytics. The challenge of big data is querying relevant data easily and creating data models on available physical data and computing path to help and manage raw data. The future will bring more hybrid systems combining the attributes of machine learning performance analysis approaches. One of the objectives of this session is to introduce about analysis, processing and storing very complex expert systems. Most of the users of modern computer system prefer to use different tactics and strategies to improve the decision making skills relevant to expert system or artificial intelligence system.

#### Topics of Interest:

We invite original (un-published) research contributions based on the above-mentioned theme including following topics **but not limited to**:

# 10th International Conference on Frontiers of Intelligent Computing: Theory and Applications (FICTA 2022) June 18 - 19, 2022

Decennial Edition of FICTA Conference

Organized by Department of Computer Science & Engineering, National Institute of Technology Mizoram,  
India

- Data Analytics and Cloud Computing
- Data Analytics Applications in Fraud and Risk Detections
- Rising Challenges in Big data World and IoT
- Data Analytics in Simulation and Modeling
- Data Analytics in Semantic Web Services
- Soft Computing and Core Computing
- Data Analysis of Expert system based Models
- Data Analysis of Multi-agent Systems
- Data Analysis of Semantic Web Technology
- Strategies of Data Mining with Knowledge Discovery

## Paper Submission Process:

Please submit your paper (in word/pdf format) at

email: [anandpandey.ind@gmail.com](mailto:anandpandey.ind@gmail.com)

with 'Name of Special Session: ' mentioned in the subject line.

## Program Committee: Name(s), Affiliation(s)

Prof. Dr. K. K. Mohbey, Central University of Rajasthan, Ajmer

Dr. Shashikant Gupta, ITM University, Gwalior

**For any further queries related to this special session, please contact the session chairs at:**

**E-mail ID:** [anandpandey.ind@gmail.com](mailto:anandpandey.ind@gmail.com)

**Mobile No.:** +91-9977245495
